Profile:

I am a 33-year-old Irish male. I moved to Finland in 2011 with the intention of expanding my music career in a country I love very much. I also lived in Australia for 3 years (2007-2010) where I also had my own music company just like I have had in Finland. I have worked also in Australia in many building construction and customer service positions. My last job was in Ireland with Hewlett Packard where I worked as a Technical Support Analyst. From 2011 onwards, I have been working as a freelance musician and music producer with many different companies. I am a very flexible and fast-learning worker. I'm always willing to learn new things. At the moment I am student at Taitotalo studying a bachelor's degree in Information Communications and Programming and I am to complete the studies around spring 2023.

Language skills:

English:

- Mother tongue.

Finnish:

- I speak and write in Finnish very well. I have documentation to prove this also.

IT skills:

General:

- Installation of many different operating systems and applications.
- Installing printing and scanning machines.
- Managing user accounts in Active directory and other administrative tools.
- Website designing.
- I am right now in school learning HTML, Java, CSS as well as other programming languages at Taitotalo in Helsinki. I have done already some small projects for example: websites, HTML/CSS templates and JavaScript applications (mainly using React).

Computer construction:

- Building new computer systems.
- Modification of prebuilt computers systems.
- Integrate hardware from redundant systems into other PC's.

Networking:

- General Setup of Networks.
- Constructing Cat5 (RJ45) Cables.
- Structured Cabling.
- Installing Switches & Hubs.
- Creating user accounts on a network.
- Updating Operating Systems.
- Hardware Troubleshooting.
- Troubleshooting and resolving network Printer issues.
- Wireless connection setup and configuration.

Applications:

- Proficient in Microsoft Excel using Pivot tables, generating reports etc.
- Proficient in using Microsoft Outlook, Word and SharePoint.
- High level of skill in ticket systems such as: OVSD and OVSC.
- Remote tools such as Windows Remote Desktop, Citrix, VNC ja NetMeeting.

Professional experience:

July 2011 – March 2020

Piikki Kasvi/Sahara Oy - Silja Line/Viking Ling/Tallink
